

	<p>The exact parcel of land to be released and terms of lease are currently being defined. Current plans include:</p> <ul style="list-style-type: none"> • a museum building located on the tank wash station site to maximise views of the plain • an events arena and more displays/attractions within the training camp complex • A viewing tower has also been mentioned. <p>The plan is for the site to include a restaurant. Please note that this is the current thinking and could well change based on how much land is released by the MOD.</p> <p>John Smale confirmed that Wiltshire Council has met with the museum team to discuss high-level plans but that these were subject to change. He added that relevant traffic and environmental surveys had yet to be started.</p> <p>Once the parcel of land and terms of lease have been agreed with the DIO we believe there will be a period of public consultation (including a public meeting in both Figcheldean and Netheravon with the museum team) prior to a planning application being submitted.</p> <p>Both the public meeting and the planning application process will give villagers an opportunity to understand what is planned and have any questions answered.</p> <p>Please note that the proposed site is not in Figcheldean Parish but in Netheravon's even though it is closer to Figcheldean.</p> <p>The PC will keep villagers informed.</p> <p>Defibrillators Waiting for installation and electrician quotes</p>	NT/JM
5	<p>Chairman's Report TRO now accepted by Wiltshire Council which means that during the winter and spring plans it will be implemented.</p> <p>Ablington woods fund raising is very encouraging, it is marvellous how the village residents have come together.</p> <p>Mill Pond fencing with signs have been put in place.</p> <p>Many thanks to all involved during the past few years. Details of the above will be filled in by councillors in their reports.</p>	
6	<p>Other Organisations Reports No other organisations were in attendance.</p>	
7	<p>Parish Councillors Reports</p> <p>CLlr Jackie Dryden</p> <ul style="list-style-type: none"> • The clerk will update on the Save Our Woods Fundraising Campaign • Sign damage at cliff end will be repaired and JD will seek out a quote and clerk to see if we can claim on insurance • The storm drains need cleaning out and JD to contact them <p>CLlr John Yelland CLlr Yelland confirmed attendance at the next Neighbour Tasking Group meeting in December, chaired by PC Lucy Wileman who sets the local policing targets.</p>	JD

	<p>Scams are again targeting us all, in particular our older generations, it can be by internet, phone or cold calling. Cllr Yelland will attend the next coffee morning to advise the group of potential scams.</p> <p>Cllr Yelland received a letter from Superintendent Phil Stayning late summer, the letter is about using 999 or 101.</p> <p>999 calls are for:</p> <ul style="list-style-type: none"> ▪ If you need an immediate response because a crime is in progress or you think it is ▪ You or someone else is injured or there is a threat to life ▪ A serious road traffic collision has taken place ▪ Violence is being used or threatened <p>101 calls are for</p> <ul style="list-style-type: none"> ▪ You want to report a crime ▪ Need to speak to a local police officer ▪ Provide information about a crime. <p>Cllr Tina Cole No Report regarding Planning as it is very quiet now. TC has offered to design with sympathy card for the parish to use.</p> <p>Cllr Darrell Amison</p> <p>Mill Pond The signs are up regarding CCTV, Life Buoy is in place and the bases are in ready for CCTV which be installed with a few weeks. The old bench has been removed. Since Lt Col Kev Cammack has taken his new role more has been done in the past few months than years. I will write to his commanding officer to express our thanks.</p> <p>It's the intent of the Parish Council, in accordance with the views expressed at September's public meeting, to allow the Mill Pool site to re-wild over time. The temporary fence will therefore remain in place for the time being albeit the long term intention is that it will be removed. Much will depend on the impact of cameras and the TRO following implementation.</p> <p>Kate Davey has been in communication with me regarding signage, design of gate and implantation details. Updates will follow over the winter months.</p> <p>Multicourt The multicourt needs the leaves removed so that decaying leaves do not damage the surface. SB to seek quote from Bawdens for leaf clearing for 3 months of the year Oct, Nov and December.</p>	<p>TC</p> <p>SB</p>
8	<p>Report by Wiltshire Councillor Smale The Southern Area Board meeting will be on 21st November @18.30 in the Antrobus Hotel. One of the topics will be climate change.</p>

The Clerk distributed a report from the recent inspection of the playground, no immediate risk or repair required. SB suggest PC spend a little money next year to tidy up the area and paint some rust spots.

Parish Clerk presented projections of costs for 2020/21 to discuss the precept increase. It was decided that small increase would be prudent. After the meeting more in-depth calculations were provide by the clerk for a final decision whether it should be increased or remain the same.
